### SHIPWRECKED!

At this time of year the weather limits our options a bit and, forced to spend a bit more time indoors than usual, we'll imagine we're shipwrecked sailors with nothing but music, drama, art, dance, sport, and games to keep us busy while we await rescue! We'll also learn about using teamwork to overcome difficulties and how to access our imaginations to overcome boredom. Here's how the week shapes up:

**When:** February 17th-21st, 2020  
**Where:** St Luke's Hall SW3 3RP  
**Hours:** 9am-3:30pm  
**Cost:** £240/week or £60/day  
(sibling discounts and extended hours service available)

**Monday:** We start the week with an introduction to the story and lay out our "keys to survival". Then it's drama games and arts & crafts before lunch, followed by games, sport and outdoor play in the afternoon.

**Tuesday:** Today we kick off the day with a yoga session led by a certified instructor, and we followed it with a sculpture and modelling workshop. After lunch we head to the sports fields and playground.

**Wednesday:** In the morning we'll launch ourselves into arts & crafts and a dance workshop. After lunch, with treasure maps in hand, we'll set out in search of the Lost Riches of St Luke's Gardens.

**Thursday:** Today, careful to avoid pirates, we go in search of our battered ship, which we hope to find at Princess Diana's Memorial Playground in Hyde Park (on bus no. 49). On our return we'll do music and drama games with what time remains.

**Friday:** At the end of week we put it all together and celebrate our newfound skills and great friendships with a little bit of everything: sport, music, drama, and art. We did it - let's party!

**Spaces are limited - contact us today to book your spot or to learn more!**
