OUTTA SPACE SUMMER

Our theme this week is all about outer space. Join us for a visit to the Science Museum and a trip to Battersea Park for our version of the Olympic Games. Add to that the usual sessions of art, drama, music and games and it's a week that can't be missed!

When: 3-7 September 2018
Where: The Hut, 12 Alpha Place SW3 5SY
Cost: £240/week or £60/day
(2 siblings £375/week or £95/day)

Monday: The week gets underway with some fast-paced games followed by an arts and crafts session. After lunch we pay a visit to St Luke's Playground for some activities under the sun (hopefully!)

Tuesday: Today we head over to the Science Museum for the chance to view Earth from the International Space Station. After lunching in Princes Gardens we'll head back to base for games in the garden.

Wednesday: The day starts off with an out-of-this world dance workshop and then it's arts & crafts until lunch. After that we'll head outdoors for an afternoon in the sunshine and games in the sports pitch.

Thursday: Today we are off to Battersea Park for our Space Olympics event. Once there we'll have races, an obstacle course and a cheerleading competition - all followed by a picnic party in the English Garden.

Friday: It's a day of games and art activities at the base. We'll also put the final touches on our music and dance performance that's performed for friends and family at the end of the day.

Keep in mind that excursions are optional. Members of staff will remain at the base all day to do more of the usual mix of arts & crafts, music and drama, games and sport. Just mention if you prefer that option!
