Join us this holiday season for a celebration of art, music, drama, baking, games and more!

Once again this Christmas holiday we assemble our crack team of teachers, artists, musicians, and actors to put together a series of Christmas holiday workshops like no other! The emphasis will be on giving and sharing and kids will be encouraged to create and express for the enjoyment of family and friends as well as for themselves.

On arrival, the children are split into two groups (4-6s and 7+) and each group will complete projects suited to their abilities. All sessions are fast-moving and varied with something new always just around the corner. A typical session will look something like this:

9:00-9:30 - Entry activity and warm-up games
9:30-10:45 - Arts and Crafts project
10:45-11:30 - Baking/Cooking session
11:30-12:00 - Music/Drama/Dance activities

Every session will feature a different art project ready to take home at the end. It might be an ornament for the tree, a present for a loved one, or a piece of artwork for the home - there will be many activities to choose from.

For children joining all day please bring a packed-lunch - all other materials are provided.
*extended hours (until 5pm) available
